

Resort Policies, rules and conditions:

To reserve, a deposit of 50% is required payable by Visa, MasterCard or E-transfer (cash or debit if in person). The balance is payable upon check-in.

Please note that it is the responsibility of the tenant (the person named on the lease) and the owner of the credit card with which the deposit was made to be present at check-in with the credit card used and driver's license to proceed with registration, signing the necessary documents, paying the balance and paying the security deposit. You will then be given the key to the chalet. We cannot allow friends/family of the said tenant to enter the chalet before registration is completed. The balance and the security deposit may, however, be paid by a third party while the tenant is present at check-in.

At check-in you will also be required leave a security deposit in the amount of \$250 for chalets: #43, 85, 86, 87, 88, 91, 92, 93 and 94; \$500 for chalets: Ežeras, #44, 48, 49, 81, 83, 95 and 96; \$1000 for chalets: #1130, Žiema or Vasara payable either by Visa, MasterCard, Cash or Interac (debit). All security deposits will be either unfrozen (if left by credit card) or refunded by e-transfer (if left in the form of cash or by debit); this provided that the conditions, regulations and booking policies are fully respected (approximately between 2 to 7 days after your departure).

Failure to comply with one or more regulations indicated on the rental agreement or any damage or breakage to the property will automatically result in charges and will be charged to the security deposit. If these costs are higher than the security deposit, the balance will be invoiced to the person responsible for the rental and the tenant will agree to pay the said excess without delay.

Check-in time: 4:00 pm to 6:00 pm (Sunday to Thursday) and 4:00 pm to 9:00 pm (Friday)

Check-out time: 11:00 am

No visitors are allowed inside, outside or between chalets at any time. No visitors on site (Le Soleil center and beach) at any time are allowed. Pets:

- Respect the neighbours: no barking and no howling please.

- Only up to 2 small dogs of 20 lbs or less are permitted in our cottages.
- No puppies under 1 year old are accepted.
- No pets are allowed on furniture (beds, couches, sofas).
- You must pick up your animal's "poop" in order to keep the grounds clean, even in winter.
- Cats are unfortunately no longer accepted due to a significant amount of people who are allergic to them. Contrary to popular belief, a cat allergy is not caused by its hair, but by its saliva and sebum. Indeed, the salivary and sebaceous glands (skin glands) of the cat secrete an allergenic substance.
- Guests must notify us in advance if they plan on bringing a pet.
- An extra charge of \$15 + tax per dog per night will apply.
- Pets are not permitted at the beach nor at the pool facilities.
- In order to keep the grounds of the reception area clean, please keep your pet in the car while checking in.

All chalets are non-smoking:

Smoking is permitted on the side of the chalet and not in front to prevent the smoke and the smell from bothering your neighbours and from coming inside during all seasons. A **\$250** charge will be charged to you or deducted from your security deposit if you smoke indoors in any small chalet and **\$500** will be deducted if you smoke in either chalets Ežeras, #81, 95, 96, 1130, Žiema or Vasara.

All tenants must be **25 years old** or more unless accompanied by one or more parent.

3. **Not to play any music outdoors** and to keep noise at a reasonable level indoors
4. To allow the inspection of the premises at reasonable hours during the present lease.
5. **Not to sublet** nor transfer the rental lease without the consent of the lessor.
